

Your Outdoor Sports Insurance Card

Thank you for subscribing to the insurance card.

Please send your date of birth to info@federationsservice.com to receive the card number.

- Print and cut out the card
- Fold along the dotted line
- Glue or tape the bottom edge
- Fill out the card with your details and the card number

Scan or photograph the card to present to race organisers when required.

The image shows a template for an outdoor sports insurance card. It consists of two main sections: a header and a form. The header is a grey rectangle with the FSA logo (Federation Service Agency) and the text 'Outdoor Sport Insurance'. The form is a white rectangle with a dotted line separating it from the header. The form contains several fields for personal and membership information, including a photo placeholder, family name, name, passport number, title, validity year, sport, local committee, and card number. There are also scissors icons indicating where to cut out the card.
